This agreement is in addition to your other agreements with Abington Bank, such as your Deposit Account disclosure, Fee Schedules, and credit agreement you may have with us. If there is a conflict between the terms and conditions of this agreement and one contained in the other agreements between you and us, this agreement will control. The Bank may modify the terms of this agreement from time to time and your continued use of the service(s) will constitute your acknowledgement of and agreement to those changes. Any such amendments shall be effective thirty (30) days after the Bank sends notice of the amendments to you. If you object to any amendments of this agreement, you must do so in writing. If you exercise this right, you may no longer use our Online and Mobile Banking Services.

In this agreement, the terms "financial institution", "bank", "we", "us" and "our" refer to Abington Bank. If you have any questions about these services, please call us at 877-380-2265 and ask to speak with the Customer Care Center or stop by any branch office.

You are also agreeing that any communication from us to you regarding this agreement, including any disclosures or other information required to be delivered in writing under applicable law, may be delivered to you in electronic form and that such electronic communication shall be in lieu of written communication. This includes electronic delivery of change in terms notices affecting your use of Online and Mobile services. Your consent pertains to these Online and Mobile services only and does not include any other disclosures the Bank may need to provide to you.

Please know that you do have the right to receive a paper version of this agreement and may contact us by e-mail or telephone to request a paper copy. There is no charge for a paper copy. System Requirements to Access Information

To receive an electronic copy of the required disclosures, you must have the following equipment and software:

- A personal computer with 1.3 GHz or faster processor that is capable of accessing the Internet.
- A current version of Windows or Mac OS, with adequate available hard disk space.
- You must have software that enables you to receive and access Portable Document Format (PDF) files, such as Adobe Acrobat Reader, which is available for free download at <http://get.adobe.com/reader>. Business Days

For the purpose of this agreement, our business days are Monday through Friday. Saturdays, Sundays, federal holidays or other days on which the bank remains closed are not business days.

Online Banking Equipment and Technical Requirements

In order to use Online and Mobile Services, you will need to satisfy the System Requirements detailed above.

You may also access the service by utilizing a variety of mobile devices with an up-to-date operating system. Either method chosen requires a current Internet browser. You are responsible for the installation, maintenance, and security and monitoring of your own device. We are not responsible for any errors or failures caused by any malfunction of your device and we are not responsible for any virus or related problems that may be associated with the use of your device. You are also responsible for any telephone or data charges incurred in connecting to your Internet Service Provider (ISP) that gives you access to the Internet including Short Message Services (SMS), or what is commonly referred to as text messaging.

Online Banking Access

As the primary user, you are considered the administrator who is responsible for managing your Online Service. As administrator you will be granted access to all of the enrolled online banking accounts and services. The administrator, at his or her sole discretion, may be permitted to create and authorize other individuals to act as a user of Online. The administrator may be permitted to add, delete or change the access authorities for a user including the accounts and services they are allowed to access and the dollar amount of the transactions they are allowed to process. Designating an authorized user provides access to Online and does not change ownership or provide authorization to these users to transact on your behalf in any other manner (i.e. at a branch location). By granting an individual access to your accounts as an authorized user with a user ID and password you expressly agree to take responsibility for all activity initiated by those individuals. In effect, you have authorized each transaction to take place as though you yourself have completed them and the bank will not be held liable for individual user actions.

The administrator and each user that has been afforded the authority to access accounts through Online will have a unique user ID and password. Your user ID and password are initially set by you and subsequently can only be changed by you. The user ID designated for an authorized user can be issued and changed only by you, the administrator. The password for an authorized user is initially set by you, the administrator, and subsequently changed by the authorized user at first logon.

Generally, you should change your passwords frequently to help safeguard the security of your accounts. You may change your password under the Service Center Profile section. Bank employees will never contact you via e-mail or by telephone requesting your online password or any other personal information. If you are contacted by anyone requesting this information, do not provide it and contact the Customer Care Center immediately at 877-380-2265.

It is critically important to keep your user IDs and passwords confidential to prevent unauthorized transactions on your bank accounts. In the event that you wish to change authorization (i.e. as a result of personal changes in your relationships, or for any other reasons) it is your sole responsibility to revoke access to protect against improper use of Online by the individual(s) you have authorized.

If you suspect any misuse of Online Services by an authorized user you, the administrator, should revoke that individual's access immediately and inform us AT ONCE if you believe your password and user ID have been compromised or may be compromised. You may contact us by calling 877-380-2265 and speak with the Customer Care Center. **Click [here](#) to see Abington Bank Customer Care Hours.**

If you prefer to contact us via written correspondence address your envelope to:

Abington Bank, P.O. Box 68, Abington, Massachusetts 02351

It is important to note that in order to minimize the risk of loss, we strongly suggest that you call us immediately and then confirm in writing. Unless you have been grossly negligent or have engaged in fraud, you can lose no more than \$50.00 if you fail to give us notice of your lost or stolen user ID and password and they are used without your permission.

Error Resolution for Consumer Accounts

In case of errors or questions about your electronic transfers including direct deposit ATM transactions, debit card transactions, 24-hour telephone transactions, Online transactions and/or pre-authorized payments, call us at 877-380-2265 to speak with the Customer Care Center (**Click [here](#) to see business hours**) or send your written correspondence to:

Abington Bank, ATTN: Deposit Operations, P.O. Box 68, Abington, Massachusetts 02351.

If you think your statement or receipt is wrong or if you need more information about a transfer listed in your statement or receipt, promptly submit your inquiry to us as we must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the problem or error appeared. Be prepared to provide us with the following information:

- Your name and account number,
- A description of the error or the transfer you think is incorrect and clearly explain why you believe it is an error or why you need more information, and
- The dollar amount of the suspected error.

If you provide oral notice, you may be required to send in your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days (twenty (20) business days for new accounts) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days (ninety (90) days for new accounts and foreign initiated or Point of Sale transfers) to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days (twenty (20) business days for new accounts) for the amount which you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. The extended time periods for new accounts apply to all electronic fund transfers that occur within the first thirty (30) days after the first deposit to the account is made, including those for foreign initiated or Point of Sale transactions.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

You may view current and available account balances, transaction activity, check images, pending Automated Clearing House (ACH) and point-of-sale (POS) transactions for deposit and loan accounts that are enrolled in Online Services.

Please note:

- Your deposit account available balance includes your current balance minus any holds. Your available balance displayed does not include accounts linked for overdraft sweep transfers, unused overdraft lines of credit and assigned Occasional Overdraft Privilege Service limits.
- Immediate and future dated transfer or bill payment requests may draw against available funds that include your accounts linked for overdraft sweep transfers, unused overdraft lines of credit and assigned Occasional Overdraft Privilege Service limits. An insufficient funds fee may apply. Refer to our fee schedule for the amount we will charge you for the overdraft method you have chosen.
- Your line of credit loan account available balance is the dollar amount you have available to draw on.

Transfer Funds

You have the ability to set up a one time or recurring, monthly, quarterly or weekly transfer up to 365 days in the future.

Transfers or Abington Bank Loan Payments made after 8:00 p.m. on a business day or on a weekend or a federal holiday are posted on the next business day and are available for immediate use. However, sufficient funds must be available at the time of your request.

If you wish to cancel a recurring transfer, you must cancel the transfer before 12:00 midnight the night before the scheduled initiation date that the transfer occurs. For example, a cancellation may occur at 11:59pm on January 1 if the payment is scheduled for January 2.

If you schedule an immediate account-to-account or person-to-person transfer, you must have adequate available funds in your account at the time the transfer is initiated. The funds will be deducted from your account immediately.

If you schedule a future-dated or recurring account-to-account transfer or person-to-person transfer you must have adequate available funds in your account when we attempt to transfer the funds. This will occur at 8:00 am on the scheduled date of transfer.

If a transfer fails because you did not have enough funds in the designated transfer account we will send you an email indicating a failed attempt and we will take no further action. If you receive an email because the transfer was not successful you should access Online Services to reschedule the transfer.

Account-to-Account Transfers

- You may transfer funds from and between Checking, Statement Savings, and Money Market accounts, to Passbook accounts, and from Home Equity Lines of Credit to Checking, Statement Savings and Money Market accounts. You may also make payments to loan accounts held by us.

Person-to-Person Transfers

We allow you to make transfers from your account to another customer's account held at Abington Bank. You may make a transfer from your Checking, Money Market, and Statement Savings accounts to another customer's Checking, Money Market, Statement Savings or Passbook Savings account.

Limitations

You may make as many in-person withdrawals as you wish. For any Statement savings, including Money Market statement type accounts, Federal law limits the number of telephone and/or third (3rd) party electronic fund transfers from your account to no more than six (6) per statement cycle. This limit includes those conducted by 24-Hour Telephone transfers, Online, checks, POS transactions, overdraft protection transfers, ACH transactions, online bill payments and online transfers. Online and Mobile Banking transfers are subject to daily limits. We reserve the right to impose additional limits for security purposes at any time.

Stop Payments

Your stop payment requests must follow the procedures and specifications established by the Bank. You must provide us with timely, complete and accurate information on the following:

- A. The number of the account against which the item is drawn
- B. The check number
- C. The exact amount (dollars and cents) of the item
- D. The name of the payee
- E. The reason for the stop payment

Complete accuracy is essential since stop payment orders are processed by computers operating on the basis of precise data. If any of the required information is incomplete or incorrect your stop payment order may not be processed and we will not be responsible for failing to complete the order. However, if all terms and conditions have been satisfied and we fail to process a stop payment of a check, we may be liable.

Stop payment requests which cover a range of checks that are missing or stolen, may be processed by us without regard to the dollar amount. A stop payment order becomes effective when we confirm its receipt and have verified that the item has not been paid. We will not be able to verify this immediately for items paid more than 180 days prior to your request. Stop payment orders are in effect for six (6) months and can be renewed after the six (6) month period upon your written request. Failure to renew the stop payment order may result in the item being paid.

Periodically, our systems may be inoperable. If that occurs, you may transmit stop payment orders by telephone instruction. You are advised that under applicable state law, stopping payment on a check may not relieve you of your obligation to pay the check.

Alerts

This service is designed to provide real time notification of important information related to your account(s) such as a low balance or the occurrence of an overdraft. If you subscribe to our alert service you will be asked to select either email or text messaging (SMS) as a method of delivery. You are responsible for any telephone or data charges incurred in connecting to your ISP that gives you access to this alert service including SMS services.

We do our best to provide alerts in a timely manner with accurate information, but alerts may be delayed or prevented by a variety of factors beyond our control such as system failures or misdirected delivery. We don't guarantee the delivery or accuracy of alerts and the contents of an alert may be outdated by the time the alert is sent or received resulting from other account activity or delays in sending data among various systems. You agree to keep your alert contact methods up to date and accurate and further agree that we are not liable for any delays, failure to deliver, or misdirected delivery of any alert, for any errors in the content of an alert or for any actions taken or not taken by you or a third party as the result of an alert. Abington Bank reserves the right to terminate any request for any alert at any time.

You understand and accept that alerts are not encrypted and while we will never include your password or full account number in the alert, we may include limited information about your account and anyone with access to your alerts will be able to view the contents of these messages.

Bill Payment

We offer an online Bill Payment service. If you elect to utilize this service you will be presented with and required to accept terms and conditions that govern the use of that service.

Mobile Banking

Mobile Banking provides you the option of accessing Online and Mobile Deposit by using your mobile device equipped with a mobile browser or the Mobile downloadable application, along with your online banking password, and User ID to perform transactions. When you use Mobile Banking you agree to the following terms and conditions:

- a. You are responsible for the installation, maintenance and monitoring of your own device, including keeping the antivirus software and operating system up to date, and for downloading updated versions of the Mobile application when notified by us.
- b. We are not responsible for any errors or failures caused by any malfunction of your device and we are not responsible for any virus or related problems that may be associated with the use of your device.
- c. We may send any message through your internet service provider in order to deliver them to you. You agree that your communication services provider is acting as your agent in this capacity.
- d. You agree to provide a valid phone number and email address so that we may send you certain information about your applicable account. You agree to indemnify, defend and hold us harmless from and against any and all claims, losses, liability, cost and expenses (including reasonable attorneys' fees) arising from your provision of a phone number that is not your own or your violation of applicable federal, state or local law, regulation or ordinance. Your obligation under this paragraph shall survive termination of the Agreement.
- e. Mobile Banking is provided for your convenience and does not replace your periodic account statement(s), which are the official record of your accounts.
- f. You agree to protect your online banking user ID and password and the communications device that receives information through this service and not to share your user ID and password to let any unauthorized person have access to the information we provide to you through this service.
- g. We are not responsible for receipt of account information through Mobile Banking that may be delayed or impacted by factor(s) pertaining to your phone provider or other parties outside of our control.
- h. We will not be liable for losses or damages caused in whole or in part by your actions or omissions that result in any disclosure of account information to third parties. Also, nothing about Mobile Banking creates any new or different liability for us beyond what is already applicable under your existing account agreements.
- i. Abington Bank charges for the service can be found in the current Abington Bank fee schedule.
- j. You are responsible for any charges incurred from your wireless provider in connecting to mobile banking and utilizing the services provided.

Stopping Pre-Authorized Payments

UNLESS OTHERWISE PROVIDED IN THIS AGREEMENT, YOU MAY NOT STOP PAYMENT OF ELECTRONIC FUND TRANSFERS. THEREFORE, YOU SHOULD NOT EMPLOY ELECTRONIC ACCESS FOR PURCHASES (SUCH AS DEBIT CARD AND ONLINE) UNLESS YOU ARE SATISFIED THAT YOU WILL NOT NEED TO STOP PAYMENT.

If you told us in advance to make a regular payment to a third party out of your account, you can cancel these payments using the Online Service or by calling us at 877-380-2265 to speak with the Customer Care Center. **Click [here](#) to see Abington Bank Customer Care Hours.**

If you prefer to send written correspondence, the address is

Abington Bank, P.O. Box 68, Abington, Massachusetts 02351.

We must receive your request at least three (3) business days before the payment is scheduled to be made. If you call, we will also require you to put the request in writing and submit it within fourteen (14) calendar days after you call. We will charge you our standard checking account stop payment fee in effect at the time you stop payment. Refer to our separate fee schedule for the amount we will charge you for each stop payment order you request. The initiation by you of certain electronic fund transfers from your account will, except as otherwise provided in this agreement, effectively eliminate your ability to stop payment of the transfer. If you order us to stop one of these payments at least three (3) business days before the transfer is scheduled and we fail to do so, we will be liable for your losses or damages, subject to the limitations described in the next section.

If these regular payments vary in amount, the payee should inform you ten (10) calendar days before each payment, when it will be made or how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside of a certain limit. You may set these certain amounts or limits at any amount you desire.

Liability for Failure to Make Online Transfers or Payments

If we do not complete a transfer to or from your account or a payment on time or in the correct amount according to your instructions and in accordance with this agreement and disclosure, we will be liable for limited losses or damages. However, we will not be liable in the following situations:

- A. Any other specific exceptions stated in our agreement with you and/or listed below
- B. If, through no fault of ours, your account has insufficient funds to make the transfer or payment
- C. If the transfer or payment will exceed the credit limit for your Overdraft Line of Credit or Occasional Overdraft Privilege Service.
- D. If the system was not working properly and you knew or had reason to know about the breakdown when you started the transfer or payment
- E. If circumstances beyond our control (such as fire and flood) prevent the transfer or payment, despite reasonable precautions taken
- F. If the funds are subject to legal process or other encumbrance restricting such transfer or payment
- G. If an electronic branch has insufficient cash to complete your transaction
- H. If we have a reasonable basis for believing that an unauthorized use of your user ID and/or password, or designated account have occurred or may be occurring or if you default under any agreement with us or if you or the Bank terminates this agreement
- I. The payee does not process a payment correctly or in a timely manner
- J. If you negligently or intentionally share your user ID and password, or you do not report immediately any known theft of your user ID and/or password, leading to unauthorized access to accounts
- K. If your computer or mobile device is compromised, leading to unauthorized access to accounts
- L. If you leave your device unattended in the middle of a banking session and that results in unauthorized access to your account(s)
- M. If you do not sign-off after completing your banking session
- N. If your input error is the cause of a problem
- O. If there are postal delays that result in a payee not crediting your payment promptly
- P. For direct, indirect, incidental, special, consequential, economic or other damages arising out of the use of Online Services, including the Bill Payment service
- Q. For loss, property damage or bodily injury, whether caused by the equipment, software, Bank, Internet browser or Internet access provider
- R. There may be other exceptions stated in our other agreements with you, or that may occur unforeseeably

If any of the circumstances listed immediately above occur, we will make a reasonable effort to take appropriate corrective action or to reprocess the transactions that may not have been completed or to correct transactions that have incorrectly been processed.

Documentation and Verification of Transfers and Payments

Confirmation Numbers: Upon completion of a bill payment using Online Services, you will be given a confirmation number. You should record this number, along with the payee, scheduled date and transaction amount in your checkbook register (or other permanent record), because this will help in resolving any problems that may occur. No printed receipts are issued through Online.

Periodic Account Statement: You will get a periodic account statement from the Bank for your Checking, Money Market, Statement Savings accounts and Loan Statement. Any transfers or bill payments conducted on the Internet through the Online service will appear on your account statement.

Overdrawing Your Account

If an overdraft in your account does occur, you will pay the full amount of the overdraft and associated fees to the Bank immediately upon request. This paragraph does not apply to Overdraft Lines of Credit accounts; see the following paragraph for details on Overdraft Lines of Credit accounts.

Overdraft Lines of Credit

If you have an established Overdraft Line of Credit account, and if you use Online Services to withdraw or transfer money from your account, and the withdrawal or transfer creates an overdraft in your account, a loan will be made to you in accordance with your Overdraft Line of Credit Agreement to cover the amount of the overdraft, provided that there is enough left of your Overdraft Line of Credit maximum credit limit under your Overdraft Line of Credit Note to cover the amount of the overdraft. Using your user ID and password to make a withdrawal or transfer when there is not enough money in your account to cover the withdrawal or transfer is a written order by you requesting the loan. Except to make these loans, you agree that you will not use your user ID and password to overdraw your account. If an overdraft in your account does occur, you will pay the full amount of the overdraft to the Bank immediately upon request.

If you have an Overdraft Line of Credit, you will be assessed a finance charge on any cash advance made on your credit line as provided in your Overdraft Line of Credit Note you signed when you opened your Overdraft Line of Credit. These charges are subject to change by us. Your deposit account(s) may be subject to certain minimum balance requirements to avoid monthly maintenance charges.

Fees

Please refer to our separate Fee Schedule for additional information about Online Services and other fees.

For details, see the Truth in Savings disclosures given to you when you opened your account or you may receive an additional copy by contacting us directly.

Notices

In the event you need to provide us with notification, it should be addressed to:

Abington Bank, PO Box 68, Abington, MA 02351 ATTN: Customer Care Center.

In the event the Bank needs to provide you with a notice, the notice shall be deemed delivered once we have mailed it to your last known address in our records.

Inactivity

If you do not use Online (either account access or bill paying) for an extended period, defined as a period of at least six (6) months, we reserve the right to terminate your access to Online and request that you re-register online to reactivate this service.

Electronic Communications

Internet email communication is not considered to be a secure form of communication. For bank account inquiries you agree to contact us electronically using only the secure messaging feature within Online. You also agree that any communication from us to you regarding your online banking accounts including any disclosures or other information required to be delivered in writing under applicable law may be delivered to you in electronic form and that such electronic communication shall be in lieu of written communication. This includes electronic delivery of changes in terms notices affecting your use of online banking.

You may print a copy of such communications using the "print" function of your web browser software. All Online disclosures can also be found under the Service Center tab. You may also request a paper copy at any time by contacting the Bank directly.

Security Procedures

The Online system employs encryption to ensure the secure transmission of data. The system also utilizes risk based monitoring tools and reverse authentication to protect against phishing attempts. These methods include a user selected image to identify the Bank's online banking site, user selected challenge questions, out of wallet challenge based questions and out of band confirmation codes. By using Online, you agree that the online banking security procedures are reasonable and sufficient to ensure that all transaction requests such as bill payment and transfer instructions or other communication we receive from you have in fact, been made by you. You must consider the size, type and frequency of transactions or other communications that you anticipate making when determining whether you consider the Bank's online banking procedures to be sufficient. In short, by using Online, you have determined that Online is secure for your purposes.

The Bank will require users to answer security questions or to provide a confirmation code to process certain transactions and changes to Online. This helps ensure information is secure and protects you from fraud and identity theft.

If the size, type and frequency of your transactions change, and you determine that the online banking security procedures cease to be reasonable and sufficient, you must inform the Bank of this immediately. Such a determination means you will no longer use Online for any purposes. If you wish to learn more about online banking security, please ask us.

Notwithstanding any security procedure which may from time to time be in effect for detecting errors in transactions covered by this agreement, we have no duty to discover or report to you any such errors. Neither shall we be liable to you for the failure of such security procedure to detect such errors, regardless of the manner in which we apply such security procedures.

In addition, as an additional service, Online may occasionally provide links to web pages provided by third parties. When you access those web pages provided by third parties, you are leaving the Bank's secure website. Some of those pages may not be secure. Each of those websites will operate under its own privacy policy. Indemnification

If you are the primary user or an authorized user performing transactions from an account, you agree to indemnify Abington Bank and hold us harmless from and against all claims, demands, expenses (including, but not limited to, reasonable attorney fees and costs), losses or damages claimed by any third parties (including, but not limited to, any persons authorized to perform transactions) arising out of (i) any transactions or attempted transactions covered by this agreement or (ii) your breach of this agreement.

If we initiate any legal action to collect money owed to us under this agreement or any related agreements, including any counterclaim, you agree to pay all of our costs for such action, including any reasonable attorneys' fees. This provision does not apply to action in connection with any credit account. In such cases the credit agreement will govern these costs.

Amendment and Termination

We have the right to modify or amend this agreement as allowed by law. Any modifications or amendments by Abington Bank shall be effective thirty (30) days after Abington Bank sends notice of the amendments to you. Either you or Abington Bank may terminate this agreement at any time by giving written notice to the other, but the termination of this agreement does not terminate your account(s) with Abington Bank. Closing the account(s), which you access with Online, terminates this agreement simultaneously. The Bank may also cancel your privilege to use Online, even without telling you in advance.

Internet Gambling

You agree not to process transactions that are restricted under the Unlawful Internet Gambling Enforcement (UIGEA). Internet gambling transactions are prohibited and should not be processed through any accounts.

Governing Law

This Agreement will be governed by and interpreted in accordance with federal and state laws and regulations. You are responsible for compliance with any applicable federal, state and local laws and regulations.
